Choose your weapon wisely

Approach® G3 and G5 – what any serious golfer wants in the bag – the best technology available. With a colourful, touchscreen display, players simply touch their target to get exact yardages to every fairway, hazard and green.

Preloaded courses - No subscriptions

Switch on, choose your course and you're ready to tee off. Preloaded with over 2,500 UK courses and over 2,500 European courses, plus more are being added all the time.

Touch targeting

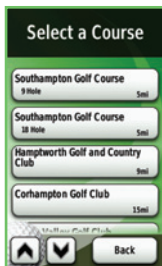

Tap anywhere on the hole and get precise distances to unlimited landing areas, fairways, hazards and greens.

Manual pin position

Zoom in to a view of the green, then tap and drag the flag to any location on the green for precise distances to the days' pin locations.

Measure shots

Calculates exact distance for shots played from anywhere on the course so you can see how far you hit each shot, or how far your partner drove it past you.

Preloaded with thousands of courses

Move the pin for accurate yardage

Your perfect matchplay partner

APPROACH® G3 | G5

Long battery life

Up to 15 hour battery life. Perfect for long golfing weekends.

High sensitivity GPS

Strong GPS signal even under tree cover for accurate data, wherever your ball lands.

Rugged and waterproof

Compact + lightweight, Approach is IPX7 water resistant, ideal for coping with the wind and rain... or any water hazard mishaps.

Bright touchscreen

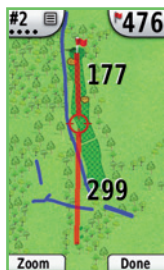

2.6" (G3) or 3" (G5) sunlight readable touchscreen allows players to see the course maps in brilliant colour display in all light conditions.

Keep score

Keep score for up to four players, and then view them on the 19th hole directly on the device or store them on your computer for ongoing review.

Stat tracking

The G5 tracks your greens and fairways hit in regulation, putts per round and average club yardage.

Unlimited targets with Touch Targeting

APPROACH® S1 | S1W GOLF WATCH

The golf GPS like no other

Approach® S1 combines a high-sensitivity GPS receiver with a comfortable, flexible and waterproof golf watch to show precise yardages to the front, middle and back of the green.

Get precise distances

Approach S1 gives you exact yardages to the front, middle and back of the green.

Measures shot distance

Calculates exact yardage for shots played from anywhere on the course.

Odometer

The S1 odometer tells you how far you've walked – on the course, or off.

No setup

Approach S1 features thousands of preloaded courses and sports a rechargeable lithium-ion battery.

Rugged waterproof design

Although slim and lightweight, Approach® S1 is designed to take the rigors on the course – rain or shine.

Redefining GPS for the golf world

APPROACH® SERIES

Designed by the global leader in GPS, Approach® uses a high-sensitivity GPS receiver to measure individual shot distances and show precise yardage information. Approach packs thousands of preloaded course maps – there's no subscriptions or setup fees. Approach G3 and G5 also utilise sunlight-readable, touchscreen displays and feature touch-targeting capability.
